

Martin Duke

I have been a governor since 2021 and have been involved during some big changes and adaptations within school. I love to support the school in any way possible, including being part of the Friends of Newton Solney School, as well as offering my professional marketing and media skills (photography and video).

My eldest daughter attended the school and loved it and my youngest is a current pupil. It has given the perfect start to them both.

I'm currently on the finance and marketing committees, and hopefully bring my supportive but 'critical friend' ethos.
